## PRESS RELEASE

### **VKA TO STAY WITH AKA AND PUSH AHEAD FOR UNITY WITHIN THE AKA FOR ALL STATES.**

At the Victorian Karting Association Council general meeting last evening, 6<sup>th</sup> October, 2005, the State Council endorsed, with overwhelming favour to distance itself from the newly formed CAMS "Karting Australia Ltd" group.

The VKA have confirmed that they will remain a valued member of the Australian Karting Association Inc. It is taken on notice that the CAMS proposal and formation of Karting Australia Limited is a wake up call that all Members of the AKA have displayed preference our States issues and should be more focused on a National basis to build a better and stronger combined Australian Karting Association.

The VKA council meeting felt that the AKA was best to serve karting, the VKA would ensure in tandem with the members of the AKA that the National governance programme is progressed correctly and urgently to best suit the needs of our sport and the National Association.

The VKA Council representative delegates also urged all other members of AKA to work expeditiously to adopt the new AKA governance constitution in order to move towards full governance in the shortest period of time.

The Victorian Karting Association council representative delegates also moved that a vote of no confidence in the National President – Mr Donald Wells, and that this matter be forwarded to the National Association for resolution.

The VKA Council will adopt an ethic that we all work to move forward with a united AKA and do what we do best "run our Sport" for the benefit of Australian Karting.

President  
Victorian Karting Association Inc  
Dated : 7<sup>TH</sup> October 2005
