PRESS RELEASE

8/10/05

At a specially convened meeting held at Penrith on Saturday 8th October the NSW state Karting Council met to discuss the recent CAMS announcement.

The NSW SKC vote unanimously to reject joining the CAMS Karting Australia organisation and to continue with it's efforts towards the new AKA governance constitution.

The AKANSW council also voted to fully support the Victorian Karting Association motion of no confidence in the AKA National President Mr. Donald Wells.

The NSW delegates are unanimous in support of a unified national karting association whose sole goal is the promotion and growth of our sport.

The full transcript of the SKC meeting will be available shortly from the NSW AKA web site (www.akansw.com.au).
